## **EXPERIENCE:**

- **AI/ML Intern**

Brainware Infosoft LLP

April 2025 - July 2025

Developed and optimized AI utilities for the "Intellitools" project, integrating machine learning models with backend APIs.

Built scalable modules using Python, FastAPI, and Node.js.

Strengthened skills in end-to-end project development, version control with GitHub, and AI model deployment.

- **Java Intern**

Ypsilon IT Solutions Pvt. Ltd., Indore

15th May 2024-29th June 2024

Completed a 6-week internship focused on Core Java and Advanced Java.

Worked on client projects, gaining hands-on experience in Java-based application development.

Acquired practical knowledge in Java programming, problem-solving, and software development best practices.
